Irvine, CA (August 1st, 2008) After extensive searching for the “Right Place”, we are proud to announce the opening of our new offices in Irvine CA. EGO Factory has moved from Sunset Beach, CA to Irvine, CA, conveniently located off the 405 freeway near John Wayne Airport. Our new address is 18818 Teller Ave., Suite 275 Irvine CA 92612.

With EGO Factory’s continued growth the new offices will enable a closer contact with its employees and clients. At this central location in Orange County maintaining direct contact with all of EGO Factory’s Southern California clientele will be simple. It also gives a fresh new environment for employees, with a creative and modern appeal. “In this new space everyone seems to have a fresh new creative outlook and mindset, it’s very refreshing.” Expressed Alex Zonin, Technology Director. EGO Factory plans to have an open house for their clients once they have completely finished their interior decoration.
