**FOR IMMEDIATE RELEASE**

**EGO Factory, We are glad to announce the arrival of Ted Nguyen – Web Developer, ASP Specialist.**

Sunset Beach, CA (November 20, 2006) –Web Developer Ted Nguyen, specializing in ASP brings us over 8 years of experience in the field. Ted has been developing dynamic Websites since 1998 when he graduated from the University of California, Irvine where he studied political science, computer science, and digital arts. As a very well rounded individual, he prides himself on being able to work with clients at every phase of development—from conception and strategy, to design and development, to testing and launch.

Ted has worked for a variety of companies on an assortment of interactive projects. He specializes in working on complex online applications and has built many e-commerce, Internet, intranet, and media sites.

"We are very excited to bring Ted aboard", stated Chief Creative Officer, Brent Bolton "After working with Ted as a contractor we already know and appreciate his abilities and work ethic, and we look forward to having him as part of the family. "

## **About EGO Factory**

EGO Factory is a full-service interactive agency that offers web site development, web maintenance, business-class hosting, consulting and online marketing. EGO Factory was formed in April 2003 with a commitment to develop high quality online and offline solutions to meet client needs, provide results and surpass expectations. Like in any business, in the world of interactive media there is a constantly evolving set of rules and standards. EGO Factory takes pride in being on the leading edge of those interactive media standards, in order to keep their clients' businesses on top of the marketplace. Working with EGO Factory, clients enjoy an unsurpassed level of quality, consistency and efficiency, while fulfilling their interactive and traditional marketing needs.
